

Fishing Log

Ocean Group: _____

Fishers: _____

Record your group's catch and fish left in ocean after each season:

Season	Catch			Fish Left in Ocean
	High Value Fish	Low Value Fish	Total Catch	
1				
2				

Write a brief description of the status/health of your fishery: _____

Season	Catch			Fish Left in Ocean
	High Value Fish	Low Value Fish	Total Catch	
3				
4				

Discuss changes in fishing practices or regulations. Are any fisheries in trouble? What did they do and how did that impact your fishery?

Season	Catch			All Fish Left in Ocean
	High Value Fish	Low Value Fish	Total Catch	
5				
6				

Write a brief description of the status or health of your fishery now: _____

How could you have made your fishing sustainable? _____
