Socially and environmentally responsible
sustainable fisheries

www.worldfish.org

A man wearing a yellow t-shirt, white shorts, and a blue baseball cap is standing on a sandy beach, leaning over the stern of a small wooden boat. He is working on a black outboard motor. The boat is partially in the water, which is shallow and has some reeds or marsh grass. In the background, there is a line of trees on a sandy dune under a clear blue sky.
